New York Money Market.

FRIDAY, September 22, 6 P. M.—The gold market was a fraction lower than yesterday, partly under the report that the payment of the November interest on the five-twenty loan would be anticipated on and after Monday morning next. To-day the Sub-Treasurer in this city made no official announcement to this effect. The effect will, however, only be felt in the increase of the floating supply of coin, which will exert but a slight and temporary influence on the market. The amount to be disbursed is \$18,197,085. The opening price was 143 1/4, after which it advanced 1/2, and remained steady at 143 1/4 during the rest of the day.

Foreign exchange weaker, and bankers' bills at sixty days were offered at 109 1/4 @ 109 1/2.

SATURDAY, Sept. 23—Forenoon.—For gold this forenoon the following were the leading quotations: 10:30, 143 1/4; 11:00, 143 1/4; 11:30, 143 1/4; 12:30, 143 1/4; 1:00, 143 1/4; 1:30, 143 1/4; 2:00, 143 1/4. Commercial exchange closed firm for the steamer. We quote: Bills at 60 days on London are held at 108 1/4 @ 109 1/4 for commercial, 109 1/4 @ 110 for bankers' do. at short sight, 110 @ 110 1/4; Paris at 60 days, 5 1/8 @ 5 1/2; do. at short sight, 5 1/8 @ 5 1/2; Hamburg, 35 1/2 @ 36 1/2; Amsterdam, 40 1/2 @ 41; Frankfurt, 40 1/2 @ 41; Bremen, 70 @ 70 1/2; Prussian thalers, 7 1/2 @ 7 1/4. The steamship New York, from Aspinwall, with California mail, brings \$1,088,877 in specie. Of specie the America takes out \$87,250, and the City of New York \$223,000; total, \$310,250. The Helvetia and the Hibernia take none. Gold is quoted this afternoon as follows: 2:15, 143 1/4; 2:30, 143 1/4; 2:45, 143 1/4; 3:00, 143 1/4; 3:15, 143 1/4; 3:30, 143 1/4.—Evening Post, 23d.

New York Cotton Market.

FRIDAY, September 22, 6 P. M.—A few sales were made at 4 1/2 c. for middling, while the principal part of the business was within our quotations below. The receipts continue heavy. The market closed quiet and nominal, with sales of about 1,600 bales. We quote:

Upland, Florida, Mobile, N. O. & T.	
Ordinary	36
Middling	44 1/2
Good Middling	45
Coffee was in good jobbing demand, and prices were rather stronger but not notably higher.	

SATURDAY AFTERNOON.—COTTON.—The market to-day is very quiet at 4 1/2 c. for middlings.

Savannah Cotton Market.

SAVANNAH, September 23.—COTTON.—Since our weekly report of the 16th instant there has been quite an animated demand for both Upland and Sea Island Cottons, and all qualities have advanced. A stock on hand and receipts have been to a fair extent, but the greater portion received by the river is on account, and is immediately shipped to the North, principally to New York. The inquiry has been for a stock of Sea Island, and the grades placed on the market have met with ready sale at the advance noticed above. Notwithstanding the inclement weather yesterday, the inquiry was good, but the small amount on sale limited the transaction. The receipts during the week have been 4772 bales Upland, 50 bales Sea Island, and 210 bales Domestic. The exports have been 6223 bales Upland, 350 bales Sea Island, and 684 bales Domestic; leaving a stock on hand and on shipboard not cleared of 4889 bales Upland, 130 bales Sea Island, and 125 bales Domestic. The market closes firm at the following quotations: Ordinary, 30 @ 32; Middling, 37 @ 39; Strict Middling, 39 @ 40; Good Middling, 41 @ 42.

SEA ISLANDS.—The receipts of this quality of Cotton continue to be heavy, and very fine grades of Sea Island is brought to market. The demand continues good and all lots meet ready sale. For the best grades of Sea Island the rate is 80 to 85 cents. The ordinary quality sell at 56 to 65 cents @ 1/2.

AUGUST, September 21.—Gold.—Brokers are buying at 40, and selling at 42 cents premium; demand very good.

COTTONS.—There was a fair inquiry, without little selling—the market was a shade dull. We quote from 21 to 34 cents.

LIVER COMPLAINT AND DYSPEPSIA.

It is estimated that seven-tenths of all adult ailments proceed from a diseased and torpid liver. The biliary secretions of the liver overflowing into the stomach poison the entire system and exhibit the above symptoms.

After long research, we are able to present the most remarkable cure for these horrid nightmarish diseases the world has ever produced. Weichard's Bitters, over six hundred and forty thousand persons have taken the PLANTATION
